

CURRICULUM VITAE

--- oOo ---

Full name : **LE ANH TUAN**
Date of Birth : September, 6th, 1960
Place of Birth : Quang Ngai Town, Vietnam
Home address : House No. 148/274/11/9, 3/2 Street,
Cantho City, Vietnam
Tel: 84-71-738245
Nationality : Vietnamese
Marital status : Married / 2 children (1 boy and 1 girl)
Office address : + College of Environment and Natural Resources, Can Tho University
+ Research Institute for Climate Change – Can Tho University
Tel/Fax : 84-71-831 530 ext. 8507
E-mail : latuan@ctu.edu.vn

Education: + PhD. in Applied Biological Sciences and Engineering
Major field: Environmental Hydrology
Catholic University of Leuven, Belgium, 2008
+ Master of Engineering degree in Water Resources Development,
Asian Institute of Technology, Bangkok, Thailand, 1990
+ Bachelor of Engineering degree in Water Management and Soil
Reclamation, Can Tho University, Vietnam, 1982

Teaching subjects: + Climate Change and Adaptation
+ Water Resources Planning
+ Meteorology - Hydrology
+ Disaster prevention and preparation
+ Engineering Hydraulics and Hydrology
+ Waste Water Treatment Works
+ Water Supply and Sewerage Construction
+ Rural Development Project Formulation and Analysis

Participating: + Advisor for Vietnam River Network (VRN) for Water Environmental
Issues and feed-backing to Hydropower and Climate Change Projects.
+ Member of National Working Group for IUCN on water policies, water
utilities and hydropower problems in the Mekong River mainstream.
+ Module leader for a Sustainable Hydropower Governance curricula
development for the Mekong Regional Inter-universities.
+ National Coordinator of the Messengers of Peace Programs of the World
Organization of the Scout Movement (WOSM)
